

OFFICE OF THE FORMER LEADER OF OPPOSITION

Gandhinagar.

Press Note

15th August, 2013

Modi gives public display of insensitivity.

His DGP collapses, Modi ignores him, continues his PM bashing.

I, me, myself has been Modi's guiding philosophy and important attribute of his petty politics and shallow rhetoric. just bothered about his speeches and narrow vision, an example of Narendra Modi's insensitivity was in full public display in Kutch at the Independence Day Celebrations on Thursday.

While Modi was delivering his speech, the chief of Gujarat police Amitabh Pathak collapsed and fell down. The entire assembly of audience was shocked. DGP Pathak tried to get up but couldn't and one person tried but couldn't make him get up. Then a group of over six people rushed to him and helped him. Modi looked towards his police chief twice but then continued his political speech. video recording chronicling Modi's insensitivity is available on (YouTube <http://youtu.be/KXDs4vcLt7A>). Senior Congress leader Shaktisinh Gohil who put up the You Tube link said normally when any person would be giving a political speech and just next to him if a person collapses on the ground, the person would at least pause his speech and inquire about the health of the person. but Gujarat chief minister displayed his true self of how his politics and his speech matters more than humanity by simply ignoring his DGP and continuing with his speech.
